### ABOUT GREEN INVEST LIMITED

Green Invest Limited, Australia's leading environmental solutions company, comprises GreenPlumbers<sup>®</sup>, Sustainable Footprint and NextGen:

GreenPlumbers<sup>®</sup> is one of Australia's leading environmental products and installation services aggregating environmental commodities. Originally founded by the Master Plumbers and Mechanical Services Association of Australia (MPMSAA) in 2005, GreenPlumbers<sup>®</sup> now provides national distribution and installation of environmentally friendly plumbing products and green audits through a network of trained and accredited GreenPlumbers<sup>®</sup>.

Sustainable Footprint was developed in order to satisfy the growing worldwide market demand for energy and water reduction. Sustainable Footprint provides clients with an insight into the status of energy and water use within their organisation through the process of an energy and water assessment. Sustainable Footprint also provides organisations with a full range of sustainable environmental training workshop.

Nextgen is a market leader in the inter-dealer and intercompany brokering of physical energy, energy derivatives and environmental commodities to domestic and commercial consumers in Australia. Founded in February 2000 Nextgen possesses significant expertise in the area of energy and environmental commodity brokerage and provides related market advisory services to assist clients with their financial and environmental objectives. Nextgen published its leading environmental newsletter "The Green Room" weekly.

Green Invest plans to continue developing a portfolio of inter-related businesses with leading market positions in the emerging environmental commodities and services market. For more information please visit [www.greeninvest.com](http://www.greeninvest.com).
